

24.05.01. Log Bench

	approx. 250 x 90 x 80 cm (L, B, H)
	possible fallarea of 150 cm

With its unusual shape, our Log Bench with backrest is a seating solution you don't see every day. Children love climbing on it. It serves as an original place to take a break at day-care centres, in the school playground or in public areas.
