	approx. 8,1 x 6,4 m (L, B)
	150 cm

We created our Mountain Cottage with Slide together with the children from an after-school club. Getting up to the slide poses something of a challenge – kids can choose from a climbing wall, a rope ladder or a climbing rope. Adventurous climbing up, under and on the house will make for an entertaining playground experience. There are also a table and seats for relaxing.
