

Our Chirp Land combination is a multi-coloured feast for the eyes! Roofs in the loveliest colours, plus additional details and little wooden bird carvings make this playground combination charming and instantly recognisable. Children can gain access to the colourful “birdhouses” via different entry points, including ladders and wall bars, while an adventurous bridge design connects the two houses. The size of this play combination makes it great for day-care centres. Why not throw in a few spring animals or a nest swing as well!
