Our Play Area “Dwarf’s House”, which is perfect for day-care centres, has an interesting combination of access points of varying difficulty. It is best set up inside a large sandpit. This will allow little “gnomes” to really enjoy playing with the “Flower” sand table and the sand lift. Inside the playhouse there is a little bench, a shelf with “sugar”, “salt” and “flour” and a picture of a “gnome family” for little ones to include in their games.
